

FLORY 58 SERIES

SWEeper

QUALITY SINCE 1936

FLORY'S 58 SERIES SWEEPER OFFERS GREAT CROP RECOVERY WITH SWEEPING PERFORMANCE AND EFFICIENCY.

Provides more blowing power for rugged and hard-to-get places. Variable reel drive allows you to increase the reel speed for heavier loads and faster sweeping. High flotation tires allows you to sweep on any terrain even with adverse soil conditions. 5 bar reel reduces tooth speed for cleaner sweeping and prolonging tooth life.

SEE MORE AT GOFLORY.COM

Flory's suspension system and unique patented sweeping head keeps heads level with the ground, even with the wheels on a steep angle.

NODEF

FLORY 58 SERIES

Large diameter front tires for superior flotation.

Large blower fan with multi-adjustable outlet spouts provides superior blowing.
