

FLORY 79 SERIES

SWEEPER

QUALITY SINCE 1936

THE FLORY 79 SERIES SELF-PROPELLED SWEEPER has been specifically engineered for use in orchards with low-hanging branches and especially designed for excellent visibility and maximum operator comfort. Flory's renowned reliability and durability combined with the flexible chassis means exceptional performance in even the most demanding terrain. The Flory 79 Series sweeper features a strong 5 bar "Align-Mount" reel that self-aligns for longer bearing and reel life, plus the John Deere diesel engine supplies superior blowing power for those toughest jobs.
